Acknowledgements

- A small vote of thanks for all who have helped me in this journey of App Development – my parents, Mentors, Mr. Ken, Group Members, Friends, Sites etc.

About Me..

- Student's Photograph

- Student's Introduction:
- Condoleezza Agbeko
- 16 years old
- Grade 11
- Nairobi International School

About App..

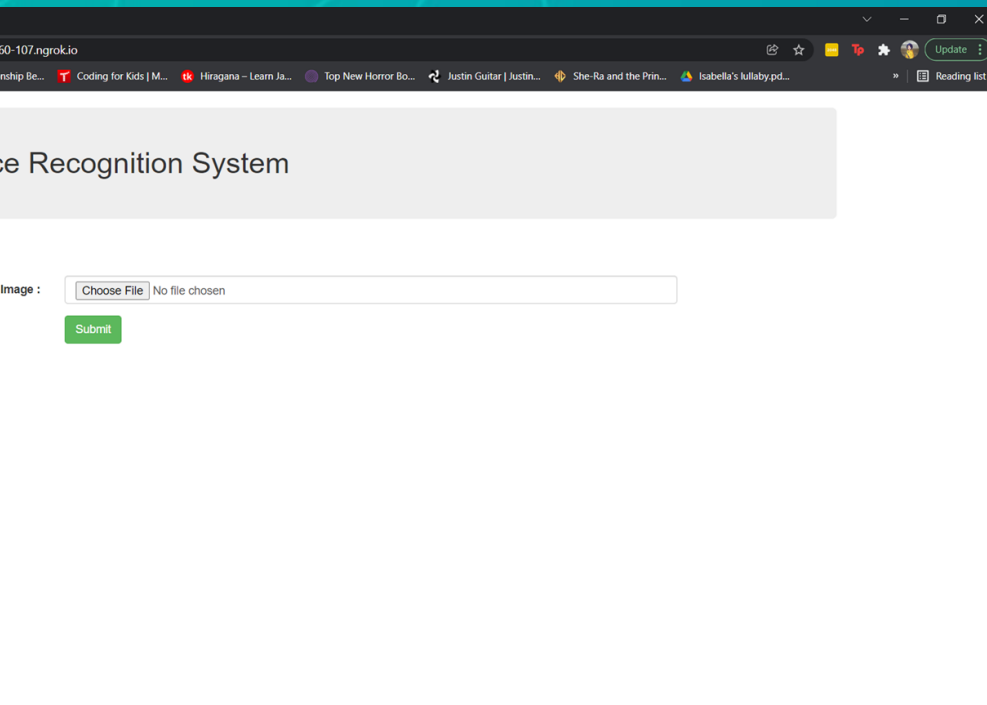

- App's Main Menu:
 - Upload your image
 - Submit
 - Your prediction
- App's Introduction:
 - It is a facial recognition system which can recognise a given image's face and provide the name of the face if the face matches, if it doesn't then it will return 'face not found'.

How do I use the App?

- Screenshot/ Pic of each option/screen of the App

- Insert a photo of a person.
- Press the submit button.
